The Kakrighat Centre, UK is a joint initiative with Rama Krishna Kutir [Branch- Belur Math, Kolkata], Almora. To foster wholistic growth, sports, extra-curricular activities, health, hygiene & nutrition, fitness, sensitivity to environment, fostering scientific temper, and community development programs are integrally built into the mentoring model. As on 31st March 2024, 155 children are being mentored by 8 Mentors & 2 Associates.

Cleanliness of villages is an integral part of KGSV program. Apart from teaching children, who work as our ambassadors in the village, periodic awakening activities & cleanliness initiatives are undertaken in the villages. These include testing various models that could provide permanence to our initiatives and help maintain village cleanliness.

Environment conservation is another important activity undertaken and the villagers are educated & motivated to join programs to create awareness on water shortage, maintenance of waterbodies, maintain purity of air & water, doing away with plastics and helping build a clean & green environment.

Women have been keen participants in our women empowerment initiatives. A Charter has been drafted for families, called 'KGSV Sankalp Patr' which is read out, explained and discussed with families to empower them. They have been encouraged & supported in making paper envelopes and handicraft baskets from dried hay & grass towards building skillsets for gainful employment. Efforts are on to collaborate with ICICI Foundation to provide skillsets that can help self-employment of women & youth in the villages.

A 'KGSV Help-desk' initiative has been launched to understand and register the difficulties faced by villagers and help resolve wherever possible. The initiative has helped with making some Aadhar cards for children.

The Foundation continues to strive to set up a few model villages that can then be replicated.
